# Frequently Asked Questions

## Is there a room fee?

If your party is joining us for dinner or lunch, you will not be responsible for a room fee. If you are joining us for an hors d'oeuvres reception, an hourly minimum purchase will apply. If this minimum is not met, the remainder will be assessed as a room fee.

## Do you require a deposit?

We neither require nor accept advanced deposits or payments for group events; we do require a signed contract, a credit card to hold on file, and a confirmation of guest count three days prior to your event. This is the number of guests for which food will be prepared and you will be billed, even if fewer guests arrive. If more guests arrive, we will do our best to accommodate and you will be billed accordingly. Meals prepared for empty seats may be prepared "to go" upon request.

## How does the menu work? Do I need to have my guests preorder?

We offer multiple menu packages for lunch and dinner, ranging from one-course to three-course meals. We do not offer menu packages for brunch. Our event coordinator will guide you in finding the package that best suits your needs and budget. Once your menu package has been selected, simply choose your preferred entrees and your guests will be able to order from your servers on-site – no preorders required!

## What about dessert? May I bring my own cake?

You may choose to include a sampler dessert course with any of our lunch and dinner menu packages. This option is the perfect way to taste several of our house-made recipes. We also offer whole slices of our desserts if you prefer full-sized portions. Please see our dessert menu for current item availability. Have a favorite from home? You are welcome to bring your own dessert, but please be aware that a outside dessert fee will apply. This fee is \$1.50 per guest.

## May I bring my own wine?

Been saving that bottle for a special occasion? We are happy to provide you with wine service, but please be aware that a corkage fee of \$15 per bottle will apply.

## How does the bar service work?

You tell us! Depending on your wishes, guests, and budget, we can accommodate your preferences with our extensive beer, wine, and spirits list. From open to cash bar, beverages are always billed on consumption, rather than built into a package.

## May I decorate for my party?

We welcome decorations for showers, birthday parties, anniversaries, etc. The only decor items that we never permit are glitter, confetti, lit candles, or anything that needs to be affixed to our walls (such as with tape, putty, nails, etc.). If you have questions whether specific items are permitted, please contact our event coordinator for assistance.
